Sniper Elite V2 Multiplayer Lan Crack For Black

I don't know where else to ask this question, everything I googled only leads to Sniper Elite V2 or 3. Is it possible to play a single player co-op game through a local server ? At the moment I'm only playing with other players who sit outside of this world, so my question is to the point: can I play co-op mode with any player that is on the local network, I just can't connect to it You can play Sniper Elite V2 in co-op mode with other users, but for this you need to install Selbststreicher, which I used to run the game.
