In this video, we take you through all the in-depth features of FIFA 22: As a collective, FIFA's players have logged more than 1,300 real-life hours of motion capture data throughout the motion capture process, including 23 hour-long matches, 50 practice sessions, and more than 16,000 minutes of gameplay data. In addition to motion capture data, the development team has over 10 years of expertise in the FIFA Universe, responsible for multiple previous iterations of the game. The fan-favorite gameplay element, the Kick-Off, has undergone a number of tweaks with every FIFA iteration, and is seen by millions of FIFA Players across the globe, each game. With FIFA 22, we are proud to introduce the evolved Kick-Off, which is expected to receive high praise from both the FIFA player community, and their fans. We also believe that FIFA is more than just gameplay, and strive to make the experience a fun, unique, and immersive experience for players to enter into the realm of EA SPORTS FIFA. FIFA 22 also introduces a number of other key gameplay enhancements and enhancements to the core experience. Many players may have heard rumors of our upcoming snow and rain kits and new response time system. Once complete, we plan to release them both with the FIFA 22 update. Finally, in FIFA 22 we have also expanded the game's presentation and cinematic quality through improvements to lighting and detail enhancements throughout the game. We are proud of FIFA 22's improvements to real-world physics, and the overall experience it provides, and can't wait to see how our players enjoy the game. FIFA 22 is available on all platforms on March 9th with the following features: FIFA 22 Kick-Off FIFA 22 Update FIFA 22 Pro-Kopii Associations FIFA 22 Pro-Club FIFA 22 Pro-Manager FIFA 22 Pro-Training FIFA 22 HyperMotion FIFA 22 Pro Evolution Soccer Player Career Fastest Player Award Pace Pots Technical Director Eduardo Guimaraes, has addressed the tech aspects behind FIFA 22: "FIFA's development process has always been a very close collaboration with our players, in order to

The deepest, most immersive mode in the franchise, the EA SPORTS FIFA Ultimate Team (FUT) mode makes you the football manager – and you can make the best players in the world even better. FUT delivers a fully immersive team customization experience, allowing you to take direct control of up to 32 players and build your dream team, with gameplay tailor-made for each individual user. You can take inspiration from top managers around the world to construct a team that’s second to none, including Barcelona’s Pep Guardiola, Carlo Ancelotti and current England manager Sam Allardyce. FUT will also feature the most addictive gameplay experience in any FIFA game. Taking inspiration from real-world trades, FUT gives you the tools to manage your squad in true-to-life gameplay, adding depth and realism to the game that’s already been revolutionized by real-world transfers. FUT also features a Live Draft Stage, where you’ll be able to draft from the best of your favourite clubs from around the globe, using a brand new Live Draft feature. Drafting live is the opportunity of a lifetime, taking the process to a whole new level and letting you do the unthinkable: build your dream team from the combined talents of the greatest managers in the world. FIFA Ultimate Team\* includes the following content: • Career Mode • Online Team Building and Matchmaking • Weekly Live Draft Stage • Live Update Draft Stage • In-Game Draft Stage • Additional FUT Events • New Club • New Player
