CRITIC-AFFIRMED Over the last three months, CastleStorm has gone through a full review process by more than 10 prominent critics, including Eurogamer, Pocket Gamer and Game Front. Critics have all agreed that the game is worth your time and money. Awards Winner of the "iPhone Game of the Year" award at the Apple WWDC 2011 Digital Event. Winner of the "Android Games of the Year" award at the Google I/O 2011 Conference. Winner of the "iPhone Game of the Year" at the Apple WWDC 2011 Digital Event. Winner of the "Best Strategy Game" award at the Independent Games Festival (IGF) 2011. Winner of the "Best Mobile Game" award at the National Academy of Video Game Trade Reviewers Awards (NAVGTREAs) 2011. The Game Players use the ability to wield a wide variety of medieval weapons to take on an onslaught of attackers from the sky and the ground. Each of the weapons can be cast in several different ways, and each unique weapon has its own strengths and weaknesses when it comes to the different types of attacking units. Players must strategize as they fill their plate with towers and weapon caches. Each tower has a specific attack range and target priority, and each weapon has a cooldown before it can be used again, which will in turn deplete the player's supply of that weapon. Players have also discovered the power of heroes, which can be used for specific tasks such as dealing damage to a single target or expending mana to teleport in range of an attack. CastleStorm also offers a cooperative multiplayer mode that can be played with up

**What's new:**

- **BUNDLE UPDATE** This bundle requires you to have the base game and the expansions Kingdoms and Ports of call to play. This bundle is for the Americas region and is only available for Steam users. **En Español** **Premise** Do you want to build a real empire? Do you want to conquer lands of the Americas? In Domains of Ascension, you have the opportunity to do both. You receive three immense regions in America, that you can further expand using the four land cards, each featuring four different Kingdoms. Five years after the Dominion War, the New World Order finds only chaos, not the dream of peace and democracy everyone assumed it would bring. But the Raging Storm that scares them all is only the first of three Ascension events, which will determine the ultimate victor: Humanity or Dominions. This bundle contains the base game as well as the first expansion, Thrones of Ascension, which gives you all the servants, Civics, Wonders, Luxury cards, Immortal threats and more... Five years have passed since the Dominion War, and the human race has not yet found peace. The New World Order still seeks to dominate the Wasteland, with its vast, uncharted territories. But the Dominions are not ready to give up what they held most dear. Three Ascension events are coming: An Ice Age, a Phoenix Climb and a Raging Storm. Through their Ascension events, the humans will not give up their New World Order. **Accessories** On top of the four land cards, additional single player cards and a campaign scenario accompany the base game. Stay in control of the New World Order, and no one will steal your place as its true ruler! **FAQs** **Q:** Can I play an existing user account or a new user account on the base game? **A:** Yes, but the base game comes with a starter pack of eight random land cards that only allow you to play as a new user, which is why it is advised to use a new user account. **Q:** Is the game available in several languages? **A:** The game is currently available in German, Spanish and Portuguese. **Q:** Can I receive updates for the game? **A:** At this point, the answer to this question is yes. **Q:** What is the "active Civics" card? **A:** Active Civics is a

A new op is coming: Easter Bunny in the Cativerse: This game is about the Easter Bunny, who wants to bring candy to all the babies on Earth. Can you protect them from the Evil Rat and stop the Easter Bunny from falling off the edge of the world?! Contact: @Playcatville on Twitter @civlondb on Facebook @Catville on Steam Images: Change the image and improve your rating at: Reviews "VillageBlade is a fast and engaging card game for people who love the strategy of Civilization combined with the excitement of Risk. It's a fun game that is easy to teach, fast to learn and enjoyable to play." - PCGamePicks: "This game has a very unique tile-based mechanic with interesting movement possibilities. It's fast and simple to learn and the sheer scope of the game allows for a variety of strategy, from attacking to defence to teleporting to moving just around the board itself. It's easy to learn and fun to play, ideal for anyone who enjoyed the classics Civ games, with the depth of Risk." - Rock, Paper, Shotgun: "If you've ever played a tile-based strategy game, then you might already be familiar with CatiVille. CatiVille might look like one of those games with lots of options and a lot of them can be a bit chaotic. But CatiVille has the same winning play time as any other game in that genre: it's the time you spend with the pieces and the board, and the quality of the time spent. If you're looking for a game you can play for hours without missing a beat, well, look no further than CatiVille. If not,
