Listen to songs by Gorillaz - Clint Eastwood in the following playlist: -Kureta Kureta (;) is a settlement in the Municipality of Semič in Slovenia. It lies in the hills south of the town of Semič, close to the German border. The area is part of the traditional region of Styria and is now included in the Drava Statistical Region. Name The name Kureta (literally, 'Kitchen') is shared with several other places in Slovenia and is derived from the German Klare. It may have originally been an abandoned farmstead, because the name is originally a plural form. To distinguish it from the neighboring village of Kukovi, which also shares its name, the local name of the settlement was changed from Kureta to Kuret. History A 12th-century church in Kureta is built of limestone ashlar masonry and roofed in locally quarried slate. It is believed to be the church of a small parish that was founded in the first half
