Extract the zipped file to the Command and Conquer Generals Zero Hour Data Maps folder. Multiplayer game for 8 players, team fight or free for all. The game begins in 2051, when humanity is on the verge of extinction as a result of an asteroid falling to Earth from the Oort cloud. As the asteroid approaches, the Earth turns into a radioactive world. At this time, new players and new opportunities appear. Throughout the game, your task is to keep the population of the planet at the same level, avoiding radioactive contamination. You can also attack other planets to get resources and troops.
